

## A Guide to Playing

### BOGEY

The competition is played hole by hole. If a player shoots a birdie or better he wins that hole and marks it with a +. If a player shoots a bogey or worse he loses the hole and marks it down with a -. A player *halves* the hole if they shoot par and this is marked with a **0**. The lost holes are subtracted from the won holes to give a final score.

Example...

- Hole 1 - Par 3

You shoot a Par. Result **0**

- Hole 2 - Par 5

You shoot a 3. Result +

- Hole 3 - Par 4

You shoot an 8. Result -

- Hole 4 - Par 6

You shoot a 4. Result +

**End Result:** 0, +, -, + = **+1**
